The affair was held at the fire sta-
tion. Fishbeck was chief back in the
old days of the hand-drawn fire ap-
paratus, and for a few years after
Alma had a real fire team, but had
never had the opportunity to ride to
a fire on a fire truck. So that the
former chief might have the pleasure
of riding to a fire in this way, two of
the firemen left the banquet, made
their way up Wright avenue, ignited
two or three boxes which they ob-
tained from Tucker's grocery, and
then sent in a fire alarm, and Charlie
got his first ride on a fire truck.

Why Name a Trust Company Executor of Your Will

The handling of estates is a business in itself. It is peculiarly the business of a
modern trust company.
Loss to estates managed by an individual executor happens generally through
inexperience. As executor of your Will this reliable Company will bring to the handling
of your estate the fruits of over thirty years' experience. Administration charges are
fixed by law and are low.
